Additional Information:

Next Level Sports Leagues were started by BGC London in the Summer of 2023 with the goal of providing comprehensive training to young athletes in four communities. The program fosters essential life skills, such as leadership, communication, and resilience, through the experience of being part of a team. Our commitment to accessibility ensures that every child can participate and thrive, regardless of location or financial circumstances. After a successful first year, the growth of Next Level Sports has been inspiring, with nearly 60 participants per sport, we've also expanded the program to eight weeks, allowing coaches to build stronger connections and kids to further develop their skills and teamwork.

We invite you to join us for this exciting event and witness firsthand how Next Level Sports is shaping the future of our community, one athlete at a time.
