Military Convoy to Transit Along Highway 3 from Toronto and London

May 3, 2018 – London, Ontario – National Defence / Canadian Armed Forces

The public should be advised that approximately 200 soldiers from Garrison Petawawa will be conducting a military road move between Toronto and London on May 5, 2018 as a part of Exercise LACPLESIS PURSUIT.

During this time, local residents can expect to see armoured and non-armoured military vehicles travelling west on highway 3.

The Canadian Armed Forces wish to thank citizens and drivers for their caution and patience while military vehicles travel on provincial highways.
